

Maintenance Workforce Characteristics

FY 2006

Overview

- **FY 2006 maintenance workforce - 654K**
 - 362K Active Duty Maintainers
 - 167K Selected Reserve Maintainers
 - 126K Civilian Maintainers
- **Change from FY 2005 to FY 2006**
 - Less than 1 percent decrease in maintainer strength versus no change in DoD overall
 - For each of the Active, Selected/Reserve, and Civilian maintainer workforces, the change was less than 1 percent
 - Only double-digit change was in the Naval Reserve—overall NR reduction of 8% led to an 11% decrease in maintainer strength

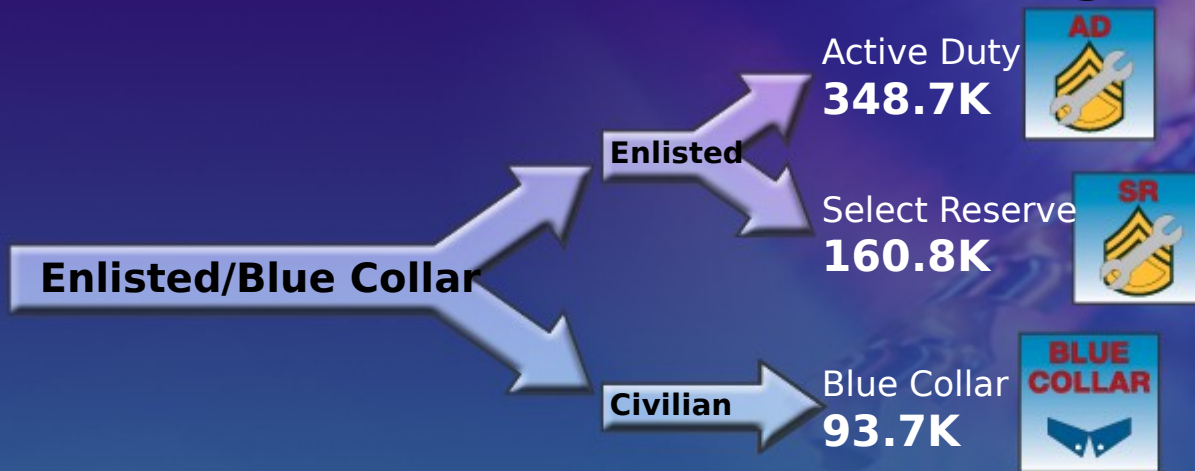

Throughout this briefing, totals reflect rounding. Percentage calculations based on actual data.

Outline

The background of the slide features a close-up, artistic photograph of mechanical components, likely from a watch or precision machinery. The image is rendered in a monochromatic blue and purple color scheme, with a soft, out-of-focus effect that highlights the intricate details of the gears and metal surfaces.
